READ AS FOLLOWS:

(1) The department shall measure and document cost savings resulting from amendments to or creation of statutes in KRS Chapter 218A contained in Sections 5 to 22 of this Act. Measured and documented savings shall be reinvested or distributed as provided in this section.

(2) The Department of Corrections shall establish a baseline for measurement using the average number of inmates incarcerated at each type of penitentiary as defined in KRS 197.010 and at local jails in fiscal year 2010-2011.

(3) The department shall determine the average cost of incarceration for each type of penitentiary as defined in KRS 197.010 and for local jails, including health care costs, transportation costs, and other related costs, for one (1) inmate for one (1)

1 year for the immediately preceding fiscal year.

2 (4) Beginning with the budget request for the 2012-2014 fiscal biennium, savings
 3 shall be estimated using the baseline established in subsection (2) of this section
 4 to determine the estimated average reduction of inmates due to the
 5 implementation of amendments to or creation of statutes in KRS Chapter 218A
 6 contained in Sections 5 to 22 of this Act and multiplied by the appropriate
 7 average cost determined in subsection (3) of this section.

8 (5) The estimated amount of savings shall be used solely for expanding and
 9 enhancing treatment programs that employ evidence-based or promising
 10 practices designed to reduce the likelihood of future criminal behavior, which
 11 shall include treatment programs at existing facilities as outlined in Section 24 of
 12 this Act.

13 (6) The amount of savings shall be estimated each year of the 2012-2014 fiscal
 14 biennium, and for each year of each fiscal biennium thereafter, as specified in
 15 subsection (4) of this section.

16 (7) In submitting its budget request for the 2012-2014 fiscal biennium and each
 17 fiscal biennium thereafter, the department shall estimate the amount of savings
 18 measured under this section, and shall request the amount necessary to distribute
 19 or allocate those savings as provided in subsection (5) of this section.

20 (8) In enacting the budget for the department, beginning in the 2012-2014 fiscal
 21 biennium and each fiscal biennium thereafter, the General Assembly shall
 22 determine the estimated amount necessary for reinvestment in programs and
 23 initiatives as provided by subsection (5) of this section, based upon projected
 24 savings as measured by this section, and shall ensure that appropriations to the
 25 department are sufficient to meet the funding requirements of this section.

26 ➔SECTION 24. A NEW SECTION OF KRS CHAPTER 196 IS CREATED TO

27 READ AS FOLLOWS:

The department shall use a portion of the savings identified in Section 23 of this Act to expand treatment programs at its existing state penal institutions, including the expansion or creation of treatment programs at facilities that are currently being underutilized if those facilities are appropriate locations for treatment programs or could be modified easily to accommodate treatment programs.

→ SECTION 25. A NEW SECTION OF KRS CHAPTER 26A IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, unless the context otherwise requires, "drug court program" means any drug court program authorized and administered by the Kentucky Supreme Court.

1 person presently stands convicted, shall fix a sentence of imprisonment as
 2 authorized by subsection (5) or (6) of this section. When a defendant is charged
 3 with being a persistent felony offender, the determination of whether or not he is
 4 such an offender and the punishment to be imposed pursuant to subsection (5) or (6)
 5 of this section shall be determined in a separate proceeding from that proceeding
 6 which resulted in his last conviction. Such proceeding shall be conducted before the
 7 court sitting with the jury that found the defendant guilty of his most recent offense
 8 unless the court for good cause discharges that jury and impanels a new jury for that
 9 purpose.

10 (2) A persistent felony offender in the second degree is a person who is more than
 11 twenty-one (21) years of age and who stands convicted of a felony after having been

 14 felonies. As used in this provision, a previous felony conviction is a conviction of a
 15 felony in this state or conviction of a crime in any other jurisdiction provided:

16 (a) That a sentence to a term of imprisonment of one (1) year or more or a
 17 sentence to death was imposed therefor; and

 22 felony convictions within five (5) years prior to the date of the
 23 commission of the felony for which he now stands convicted; or

24 2. Was on probation, parole, postincarceration supervision, conditional
 25 discharge, conditional release, furlough, appeal bond, or any other form
 26 of legal release from any of the previous felony convictions at the time
 27 of commission of the felony for which he now stands convicted; or

- 1 3. Was discharged from probation, parole, postincarceration supervision,

7 commission of the felony for which he now stands convicted; or
- 8 5. Had escaped from custody while serving any of the previous felony
9 convictions at the time of commission of the felony for which he now
10 stands convicted.
- 11 (4) For the purpose of determining whether a person has two (2) or more previous
12 felony convictions, two (2) or more convictions of crime for which that person
13 served concurrent or uninterrupted consecutive terms of imprisonment shall be
14 deemed to be only one (1) conviction, unless one (1) of the convictions was for an
15 offense committed while that person was imprisoned.
- 16 (5) A person who is found to be a persistent felony offender in the second degree shall
17 be sentenced to an indeterminate term of imprisonment pursuant to the sentencing
18 provisions of KRS 532.060(2) for the next highest degree than the offense for which
19 convicted. A person who is found to be a persistent felony offender in the second
20 degree shall not be eligible for probation, shock probation, or conditional discharge,
21 unless all offenses for which the person stands convicted are Class D felony
22 offenses which do not involve a violent act against a person, in which case
23 probation, shock probation, or conditional discharge may be granted. A violent
24 offender who is found to be a persistent felony offender in the second degree shall
25 not be eligible for parole except as provided in KRS 439.3401.
- 26 (6) A person who is found to be a persistent felony offender in the first degree shall be
27 sentenced to imprisonment as follows:

- 1 (a) If the offense for which he presently stands convicted is a Class A or Class B
2 felony, or if the person was previously convicted of one (1) or more sex
3 crimes committed against a minor as defined in KRS 17.500 and presently
4 stands convicted of a subsequent sex crime, a persistent felony offender in the
5 first degree shall be sentenced to an indeterminate term of imprisonment, the
6 maximum of which shall not be less than twenty (20) years nor more than fifty
7 (50) years, or life imprisonment, or life imprisonment without parole for
8 twenty-five (25) years for a sex crime committed against a minor;
- 9 (b) If the offense for which he presently stands convicted is a Class C or Class D
10 felony, a persistent felony offender in the first degree shall be sentenced to an
11 indeterminate term of imprisonment, the maximum of which shall not be less
12 than ten (10) years nor more than twenty (20) years.
- 13 (7) A person who is found to be a persistent felony offender in the first degree shall not
14 be eligible for probation, shock probation, or conditional discharge, unless all
15 offenses for which the person stands convicted are Class D felony offenses which
16 do not involve a violent act against a person or a sex crime as that term is defined in
17 KRS 17.500, in which case, probation, shock probation, or conditional discharge
18 may be granted. If the offense the person presently stands convicted of is a Class A,
19 B, or C felony, the person shall not be eligible for parole until the person has served
20 a minimum term of incarceration of not less than ten (10) years, unless another
21 sentencing scheme applies. A violent offender who is found to be a persistent felony
22 offender in the first degree shall not be eligible for parole except as provided in
23 KRS 439.3401.
- 24 (8) (a) No conviction, plea of guilty, or Alford plea to a violation of KRS 218A.500
25 shall bring a defendant within the purview of or be used as a conviction
26 eligible for making a person a persistent felony offender under this section.
- 27 (b) A conviction, plea of guilty, or Alford plea under Section 12 of this Act shall

not trigger the application of this section, regardless of the number or type of prior felony convictions that may have been entered against the defendant. A conviction, plea of guilty, or Alford plea under Section 12 of this Act may be used as a prior felony offense allowing this section to be applied if he or she is subsequently convicted of a different felony offense.

(9) The provisions of this section amended by 1994 Ky. Acts ch. 396, sec. 11, shall be retroactive.

(10) (a) Except as provided in paragraph (b) of this subsection, this section shall not apply to a person convicted of a criminal offense if the penalty for that offense was increased from a misdemeanor to a felony, or from a lower felony classification to a higher felony classification, because the conviction constituted a second or subsequent violation of that offense.

(b) This subsection shall not prohibit the application of this section to a person convicted of:

1. A felony offense arising out of KRS 189A.010, 189A.090, 506.140, 508.032, 508.140, or 510.015; or

2. Any other felony offense if the penalty was not enhanced to a higher level because the Commonwealth elected to prosecute the person as a first-time violator of that offense.

 14 prisoner who has the ability to pay for the medical and dental care. These funds may
 15 be deducted from the prisoner's inmate account. A prisoner shall not be denied
 16 medical or dental treatment because he has insufficient funds in his inmate account.

17 (3) The department may promulgate administrative regulations in accordance with KRS
 18 Chapter 13A to implement a program that provides for reimbursement of telehealth
 19 consultations.

20 (4) Fees for the use of medical facilities by a state prisoner who is confined in a county
 21 jail pursuant to KRS 532.100 or other statute shall be governed by KRS 441.045.

 26 consent of a majority of the full board, may review the case of any prisoner and
 27 release that prisoner on parole despite any elimination of or minimum time for

 21 recommendation, shall be submitted to the board.
- 22 (4) Medical information presented under this section shall be considered along with
 23 other information relevant to a decision regarding the granting of parole and shall
 24 not constitute the only reason for granting parole.
- 25 (5) Notwithstanding KRS 439.340(5), in addition to or in conjunction with each review
 26 conducted under subsection (1) of this section for any prisoner convicted of a Class
 27 A or B, or C felony, or of a Class C felony involving violence or a sexual

TO READ AS FOLLOWS:

The department shall:

(1) Administer a validated risk and needs assessment to assess the criminal risk factors of all inmates who are eligible for parole, or a reassessment of a previously administered risk and needs assessment, before the case is considered by the board.

(2) Provide the results of the most recent risk and needs assessment to the board before an inmate appears before the board; and

(3) Incorporate information from an inmate's criminal risk and needs assessment into the development of his or her case plan.

➔Section 31. KRS 439.335 is amended to read as follows:

In considering the granting of ~~a~~ parole **and the terms of parole**, the parole board ~~shall~~~~is authorized to~~ use **the results from an inmate's validated risk and needs assessment** ~~computer voice stress analysis, the polygraph, truth serum,~~ and any other scientific means for personality analysis that may hereafter be developed, **to define the terms and intensity of supervision** before granting ~~a~~ parole. **The terms and intensity of supervision shall be based on an individual's level of risk to public safety, criminal risk factors, and the need for treatment and other interventions.**

➔Section 32. KRS 439.340 is amended to read as follows:

(1) The board may release on parole persons confined in any adult state penal or correctional institution of Kentucky or sentenced felons incarcerated in county jails eligible for parole. All paroles shall issue upon order of the board duly adopted. As soon as practicable after his or her admission to an adult state penal or correctional institution or county jail if he or she is a sentenced felon, and at such intervals thereafter as it may determine, the Department of Corrections shall obtain all pertinent information regarding each prisoner, except those not eligible for parole.

1 The information shall include the results of his or her most recent risk and needs
2 assessment, his or her criminal record, his or her conduct, employment~~], and~~
3 ~~attitude in prison]~~, and the reports of physical and mental examinations that have
4 been made. The Department of Corrections shall furnish the circumstances of his or
5 her offense, the results of his or her most recent risk and needs assessment, and
6 his or her previous social history to the ~~institution and the~~ board. The Department
7 of Corrections shall prepare a report on any information it obtains. It shall be the
8 duty of the Department of Corrections to supplement this report with any material
9 the board may request and submit the report to the board.

- 10 (2) Before granting the parole of any prisoner, the board shall consider the pertinent
11 information regarding the prisoner, including the results of his or her most recent
12 risk and needs assessment, and shall have him or her appear before it for interview
13 and hearing. The board in its discretion may hold interviews and hearings for
14 prisoners convicted of Class C felonies not included within the definition of
15 "violent offender" in KRS 439.3401 and Class D felonies. The board in its

17 pursuant to KRS 196.610 to interview eligible prisoners and make a parole
18 recommendation to the board. A parole shall be ordered only for the best interest of
19 society and not as an award of clemency, and it shall not be considered a reduction
20 of sentence or pardon. A prisoner shall be placed on parole only when arrangements
21 have been made for his or her proper employment or for his or her maintenance and
22 care, and when the board believes he or she is able and willing to fulfill the

26 subsection, the board may grant parole to any prisoner wanted as a fugitive by any
27 other jurisdiction, and the prisoner shall be released to the detainer from that

jurisdiction. Such parole shall not constitute a relinquishment of jurisdiction over the prisoner, and the board in all cases expressly reserves the right to return the prisoner to confinement in a correctional institution of the Commonwealth if the prisoner violates the terms of his or her parole.

(3) (a) A nonviolent offender convicted of a Class D felony with an aggregate sentence of one (1) to five (5) years who is confined to a state penal institution or county jail shall have his or her case reviewed by the Parole Board after serving fifteen percent (15%) or two (2) months of the original sentence, whichever is longer.

(b) Except as provided in this section~~[paragraph (a) of this subsection]~~, the board shall adopt administrative regulations with respect to the eligibility of prisoners for parole, the conduct of parole and parole revocation hearings and all other matters that come before it, or conditions to be imposed upon parolees. Regulations governing the eligibility of prisoners for parole shall be in accordance with professionally accepted ideas of correction and reform and may utilize in part objective, performance-based criteria and risk and needs assessment information; however, nothing herein contained shall preclude the board from utilizing its present regulations in conjunction with other factors involved that would relate to the inmate's needs and the safety of the public.

(4) The board shall insure that all sentenced felons who have longer than ninety (90) days to serve~~[confined]~~ in state penal institutions, halfway houses, and county jails are considered for parole not less than sixty (60)~~[within thirty (30)]~~ days prior to~~[of]~~ their parole eligibility date, and the Department of Corrections shall provide the necessary assistance and information to the board in order for it to conduct timely parole reviews.

(5) In addition to or in conjunction with each hearing conducted under subsection (2) of

1 this section for any prisoner convicted of a Class A, B, or C felony and prior to the
2 granting of a parole to any such prisoner, the parole board shall conduct a hearing of
3 which the following persons shall receive not less than forty-five (45) nor more than
4 ninety (90) days' notice: the Commonwealth's attorney who shall notify the sheriff
5 of every county and the chief of police of every city and county in which the
6 prisoner committed any Class A, B, or C felony for which he or she is imprisoned,
7 and all identified victims of the crimes or the next of kin of any victim who is
8 deceased. Notice to the Commonwealth's attorney shall be by mail, fax, or
9 electronic means at the discretion of the board, and shall be in a manner that ensures
10 receipt at the Commonwealth attorney's business office. Notices received by chiefs
11 of police and sheriffs shall be posted in a conspicuous location where police
12 employed by the department may see it. Notices shall be posted in a manner and at a
13 time that will allow officers to make comment thereon to the Parole Board. Notice
14 to victims or their next of kin shall be made, for prisoners incarcerated prior to July
15 15, 1986, by mail, fax, or electronic means at the discretion of the board, and shall
16 be in a manner that ensures receipt by the Commonwealth's attorney, who shall

7 crimes unless that is determined by the Department of Corrections staff person to
8 be impractical or impossible in which case the estimate for a new crime may be
9 prepared using:

10 (a) The maximum and minimum length of incarceration for the offense;

22 be based on the amount paid by the Department of Corrections for a person
23 incarcerated in a county jail for a Class D felony.

24 (9) Costs or savings shall be based on the average costs actually paid by the
25 Department of Corrections during the previous fiscal year for incarceration of a

➔ Section 75. KRS 441.045 is amended to read as follows:

- (1) The county governing body shall prescribe rules for the government, security, safety, and cleanliness of the jail and the comfort and treatment of prisoners, provided such rules are consistent with state law. The county judge/executive may inspect the jail at any reasonable time.

2 (4) The cost of providing necessary medical, dental, or psychological care for prisoners
3 of the United States government shall be paid as provided by contract between the
4 United States government and the county or as may otherwise be provided by
5 federal law.

6 (5) The cost of providing necessary medical, dental, or psychological care, beyond
7 routine care and diagnostic services, for prisoners held pursuant to a contractual
8 agreement with the state shall be paid as provided by contract between the state and

15 (7) (a) When the cost of necessary medical, dental, or psychological care for a
16 prisoner exceeds one~~two~~ thousand dollars (\$1,000)~~(\$2,000)~~, as calculated
17 by using the maximum allowable costs to similar persons or facilities for the
18 same or similar services under the Kentucky Medical Assistance Program, the
19 state shall reimburse the county for that portion of the costs that exceeds one
20 ~~two~~ thousand dollars (\$1,000)~~(\$2,000)~~. The reimbursement shall be
21 subject to the following terms and conditions:

22 1.~~(a)~~ The care is necessary as defined in subsection (10) of this section;

23 2.~~(b)~~ The prisoner is indigent as defined in subsection (8) of this section,
24 or is uninsured; and

25 3.~~(c)~~ No state reimbursement to the county for care provided by
26 physicians, hospitals, laboratories, or other health care providers shall
27 exceed the maximum payments allowed to similar persons or facilities

The county shall retain ultimate payment responsibility as established under subsection (3) of this section, and the provider may bill the county for payment after the expiration of ninety (90) days from the date the provider submitted the claim to the state for payment if the claim remains unpaid at that time.

(8) (a) The determination of whether a prisoner is indigent shall be made pursuant to KRS 31.120, **and may be evidenced by the affidavit of indigency required by that statute or the appointment of a public defender under that statute.** The prisoner shall not be considered indigent, in the case of prisoner medical care, if:

1. The prisoner has funds on his inmate account to cover all or a portion of his medical expenses;
2. The prisoner's medical expenses are covered on a medical insurance policy; or
3. The prisoner has the private resources to pay for the use of the medical

7 demands for repayment shall be under the same terms and conditions as are
8 provided under KRS Chapters 31 and 431 relating to similar circumstances in the
9 program for defense of indigents by the public advocate.

10 (10) For the purposes of this section, "necessary care" means care of a nonelective nature

13 ~~under oath, that the care was necessary.]~~

14 (11) Any money appropriated for a given fiscal year to fund the state's obligation under
15 subsection (7) of this section which remains unspent at the end of the year shall not
16 lapse but shall be made available to satisfy, to the maximum extent possible, that
17 portion of each catastrophic claim made during said year above the threshold
18 amount for which the county did not receive state assistance pursuant to subsection
19 (7) of this section. In the event there is an insufficient surplus to satisfy said balance
20 of all such catastrophic claims which are made during that year, the state shall pay
21 to those qualified counties, on a per claim basis, an amount equal to each claim's
22 percentage of the total surplus. Should the surplus be sufficient to satisfy all such
23 catastrophic claims, the amount remaining, if any, shall not lapse but shall be
24 carried forward to the next fiscal year to be made available for future catastrophic
25 claims.

26 (12) Notwithstanding other provisions of this section to the contrary, a jail may impose a
27 reasonable fee for the use of jail medical facilities by a prisoner who has the ability

1 to pay for the medical care. These funds may be deducted from the prisoner's inmate
 2 account. A prisoner shall not be denied medical treatment because he has
 3 insufficient funds on his inmate account. This subsection shall not preclude other
 4 recovery of funds as provided in this section.

5 (13) (a) Notwithstanding any other provision of this section to the contrary, a jail may
 6 impose a reasonable fee for the use of jail medical facilities by a state prisoner
 7 who has been placed in a local jail pursuant to a contract with the Department

 9 pay for medical care.

10 (b) Funds may be deducted from the state prisoner's inmate account at the jail.

11 (c) A state prisoner shall not be denied medical treatment because he or she has
 12 insufficient funds in his or her inmate account.

13 (d) This subsection shall not preclude other recovery of funds as provided in this
 14 section.

 16 medical care which has been paid or reimbursed by the state pursuant to this
 17 section.

18 **(14) Except as provided in subsection (4), (5), or (8) of this section, all payments for**
 19 **necessary medical, dental, or psychological care for jail, regional jail, or holdover**

 21 **similar services, which shall be paid within thirty (30) days under the provisions**
 22 **of KRS 65.140 of receiving a claim from the health facility or provider for the**
 23 **item or service. This subsection shall not obligate the Medicaid program to pay**
 24 **for services provided to a prisoner.**

25 **(15) (a) A peace officer or correctional officer having custody of a person shall not**

order issued by a court of competent jurisdiction which specifically names the person to receive treatment.

(b) A peace officer or correctional officer having custody of a person may take the person to a health care facility or health care provider for the purpose of receiving treatment if a correctional officer remains with the person during the time the person is on the premises of the health care facility or health care provider, unless the facility or provider consents to the absence of the officer.

(c) A county, urban-county, consolidated local government, charter county, unified local government, jail, regional jail, holdover, local detention center, or other local correctional facility shall not be responsible for paying for the medical or other health care costs of a person who is released by a court of competent jurisdiction, except where the release is for the purpose of receiving medical or other health care services as evidenced by an order requiring the person to return to custody upon completion of treatment.

(d) When a county, urban-county, consolidated local government, charter county, unified local government, jail, regional jail, holdover, local detention center, or other local correctional facility is responsible for paying for medical or other health care costs under paragraph (c) of this subsection, payment shall be made only at the Medicaid rate for same or similar services.

6 (2) (a) Except as provided in paragraph (b) of this subsection, the Department of
7 Corrections shall, on a yearly basis, waive the requirement of subsection (1) of
8 this section if the unit of local government, combination of units of local
9 government, or regional jail authority proves to the Department of Corrections

6 of local government, or regional jail authority proves to the Department of
7 Corrections that the unit of local government, combination of units of local
8 government, or regional jail authority has contracted with another vendor and that:

9 (a) The medical, dental, and psychological care access plan provides services and
10 access which is equal to or superior to the Department of Corrections' contract

(2) "Construction authority" means the Local Correctional Facilities Construction Authority established under KRS 441.615.

→Section 78. KRS 441.420 is amended to read as follows:

(1) No political subdivision of this Commonwealth,~~[or no]~~ combination of subdivisions, **or regional jail authority** shall build a new **local correctional**

1 facility~~[jail]~~ unless the facility meets the approval or complies with the standards
 2 and administrative regulations of the department promulgated pursuant to KRS
 3 441.055 and construction of the local correctional facility is approved by the
 4 construction authority.

- 5 (2) Final authority for approval of plans for the construction of a local correctional
 6 facility~~[jail]~~, or an addition ~~to~~~~[or renovation of]~~ a local correctional facility~~[jail]~~
 7 shall rest with the construction authority~~[department's jail consultants].~~

- 8 (3) The department shall provide at no cost to a county, counties, or regional jail
 9 authority standard local correctional facility plans for the construction of local
 10 correctional facilities of one hundred (100), three hundred (300), and five

 13 regional jail authority, county, or counties.

14 ➔Section 79. KRS 441.430 is amended to read as follows:

- 15 (1) Any political subdivision, or combination of subdivisions, desiring to build a local
 16 correctional facility~~[jail]~~ shall make application, in writing, to the department and
 17 the construction authority for approval of the plans for the local correctional
 18 facility~~[such jail]~~ not less than ninety (90) days before the advertising for bids for
 19 construction of the facility, or if bids are not to be let, ninety (90) days before the
 20 construction commences.
- 21 (2) The department's jail consultants shall review the plans and within thirty (30) days
 22 of the department's receipt of the application, make a recommendation to the
 23 construction authority~~[render a decision]~~ as to whether the plans should be~~[are]~~
 24 approved. The construction authority shall make a decision within sixty (60) days
 25 after the department's jail consultants make their recommendation. The
 26 construction authority may delay a final decision on the construction of any new
 27 local correctional facility if the construction authority determines that it has

1 insufficient information upon which to base a decision. If the construction
 2 authority determines that it has insufficient information upon which to base a
 3 decision, a final decision shall be delayed but shall be made within sixty (60) days
 4 after receipt of the information required by the construction authority. ~~[If the~~
 5 ~~plans are not approved,]~~ Construction shall not commence until the requisite
 6 approval is obtained.

7 (3) The construction authority shall not approve the construction of a new local
 8 correctional facility unless the proposed local correctional facility is built using
 9 plans supplied by the department. All local correctional facilities of the same
 10 inmate bed capacity shall be built using the same set of plans, which shall be
 11 suited to the type of facility being constructed pursuant to Section 78 of this Act.

12 (4) The construction authority shall not approve the construction of a local
 13 correctional facility unless the political subdivision or combination of
 14 subdivisions desiring to build a local correctional facility proves to the
 15 satisfaction of the construction authority that:

16 (a) The construction of a new local correctional facility is necessary;

17 (b) The construction of a new local correctional facility with the number of
 18 beds proposed is necessary;

19 (c) The political subdivision or combination of political subdivisions has
 20 sufficient bonding and revenue sources to pay the bonded indebtedness of
 21 the proposed local correctional facility;

22 (d) The number and sources of prisoners for the local correctional facility is
 23 sufficient to maintain the financial viability of the local correctional
 24 facility;

25 (e) The projected operating costs for the local correctional facility are
 26 appropriate to maintain the financial viability of the local correctional
 27 facility;

(f) The sources of revenue are sufficient to pay, in addition to the bonded indebtedness, the operation costs and maintenance for the local correctional facility;

(g) If applicable, there are contracts or interlocal cooperation agreements specifying details for sharing the liability for the costs of paying the bonded indebtedness and the operation costs for the local correctional facility;

(h) If applicable, there are contracts or interlocal cooperation agreements specifying details for the management and operation of the local correctional facility; and

(i) All information has been provided that the construction authority required pursuant to administrative regulation.

➔ Section 80. KRS 441.440 is amended to read as follows:

Except as provided in Section 81 of this Act, all construction of local correctional facilities~~[jails]~~ pursuant to approved plans shall be done as provided under those plans and no alterations to the plans or construction shall be made unless prior approval is obtained from the construction authority upon recommendation of the department's jail consultants.

➔ Section 81. KRS 441.450 is amended to read as follows:

(1) Any political subdivision,~~[-or]~~ combination of subdivisions, or regional jail authority desiring to remodel or reconstruct an existing local correctional~~[jail]~~ facility wherein the construction will involve physical change of the structure shall obtain the requisite approvals required by KRS 441.420 to 441.440 and shall reconstruct or modify the said local correctional facility~~[jail]~~ in accordance with the approval.

(2) Except as provided in subsection (3) of this section, existing local correctional facilities may be renovated without the approval of the construction authority. However, if the renovation includes an increase in the number of square footage

of the local correctional facility to add prisoner bed space, that renovation shall be deemed an expansion which shall require the approval of the construction authority as provided in KRS 441.420 to 441.450.

(3) When an application is made to the construction authority to renovate an existing local correctional facility by increasing the number of square feet in the local correctional facility, the authority shall not approve the application unless the resulting renovation of the local correctional facility results in a facility with a bed capacity of one hundred (100) inmate beds or more.

➔ Section 82. KRS 441.620 is amended to read as follows:

- (1) If any of the officers of the authority whose signatures or facsimiles thereof appear on any bonds of the authority or on any other instruments or documents pertaining to the functions of the authority, shall cease to be such officers before delivery of the bonds, or before the effective date or occasion of such instruments or documents, the signatures, and facsimiles thereof, shall nevertheless be valid for all purposes the same as if the officers had remained in office until such delivery or effective date or occasion.
- (2) Any six (6) members of the authority shall constitute a quorum.
- (3) The authority shall meet not less than every six (6) months~~[beginning no later than sixty (60) days after KRS 441.605 to 441.695 shall become effective,]~~ and as often as necessary to comply with the provisions of KRS 441.420 to 441.450 when~~[at such other times as it may be]~~ called as provided in this section. Special meetings of the authority may be called by the chairman, and upon written request of two (2) members the chairman shall call a special meeting of the authority to be held not later than twenty (20) days following receipt of the written request. The chairman shall give notice through the secretary by certified mail, return receipt requested, to each member of the authority at least ten (10) days prior to the time of any meeting, unless all members of the authority waive notice in writing. The offices of the

1 authority shall be at the seat of state government.

2 (4) The authority may adopt bylaws relating to its organization and internal
3 management, and may alter the same at will. Through its bylaws, or by resolution,
4 it shall establish stated times and places for regular meetings; and may adjourn the
5 same from time to time. If a quorum be present at any special meeting, and it shall
6 appear from the minutes that reasonable notice was given to absent members, or
7 waived by them, or the minutes subsequently consented to by them, any business
8 transacted or action taken thereat shall be as fully regular and official as if
9 transacted or taken at a regular meeting or an adjournment thereof.

10 (5) The authority may adopt rules and regulations for the conducting of its business and
11 affairs, subject to the provisions of KRS Chapter 13A.

12 ➔Section 83. KRS 533.010 is amended to read as follows:

13 (1) Any person who has been convicted of a crime and who has not been sentenced to
14 death may be sentenced to probation, probation with an alternative sentencing plan,
15 or conditional discharge as provided in this chapter.

16 (2) Before imposition of a sentence of imprisonment, the court shall consider probation,
17 probation with an alternative sentencing plan, or conditional discharge. Unless the
18 defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits
19 probation, shock probation, or conditional discharge, after due consideration of the
20 **defendant's risk and needs assessment**, nature and circumstances of the crime, and
21 the history, character, and condition of the defendant, probation or conditional
22 discharge shall be granted, unless the court is of the opinion that imprisonment is
23 necessary for protection of the public because:

24 (a) There is substantial risk that during a period of probation or conditional
25 discharge the defendant will commit another crime;

26 (b) The defendant is in need of correctional treatment that can be provided most
27 effectively by his commitment to a correctional institution; or

1 (c) A disposition under this chapter will unduly depreciate the seriousness of the
2 defendant's crime.

3 (3) In the event the court determines that probation is not appropriate after due
4 consideration of the defendant's risk and needs assessment, nature and
5 circumstances of the crime, and the history, character, and condition of the
6 defendant, probation with an alternative sentencing plan shall be granted unless the
7 court is of the opinion that imprisonment is necessary for the protection of the
8 public because:

9 (a) There is a likelihood that during a period of probation with an alternative
10 sentencing plan or conditional discharge the defendant will commit a Class D
11 or Class C felony or a substantial risk that the defendant will commit a Class
12 B or Class A felony;

13 (b) The defendant is in need of correctional treatment that can be provided most
14 effectively by commitment to a correctional institution; or

15 (c) A disposition under this chapter will unduly depreciate the seriousness of the
16 defendant's crime.

17 (4) The court shall not determine that there is a likelihood that the defendant will
18 commit a Class C or Class D felony based upon the defendant's risk and needs
19 assessment and the fact that:

20 (a) The defendant has never been convicted of, pled guilty to, or entered an
21 Alford plea to a felony offense;

22 (b) If convicted of, having pled guilty to, or entered an Alford plea to a felony
23 offense, the defendant successfully completed probation more than ten (10)
24 years immediately prior to the date of the commission of the felony for which
25 the defendant is now being sentenced and has had no intervening convictions,
26 pleas of guilty, or Alford pleas to any criminal offense during that period; or

27 (c) The defendant has been released from incarceration for the commission of a

1 felony offense more than ten (10) years immediately prior to the date of the
2 commission of the felony for which the defendant is now being sentenced and
3 has had no intervening convictions, pleas of guilty, or Alford pleas to any
4 criminal offense during that period.

5 (5) In making a determination under subsection (4) of this section, the court may
6 determine that the greater weight of the evidence indicates that there is a likelihood
7 that the defendant will commit a Class C or Class D felony.

8 (6) Upon initial sentencing of a defendant or upon modification or revocation of
9 probation, when the court deems it in the best interest of the public and the
10 defendant, the court may order probation with the defendant to serve one (1) of the
11 following alternative sentences:

12 (a) To a halfway house for no more than twelve (12) months;

13 (b) To home incarceration with or without work release for no more than twelve
14 (12) months;

15 (c) To jail for a period not to exceed twelve (12) months with or without work
16 release, community service and other programs as required by the court;

17 (d) To a residential treatment program for the abuse of alcohol or controlled
18 substances; or

19 (e) To any other specified counseling program, rehabilitation or treatment
20 program, or facility.

21 (7) If during the term of the alternative sentence the defendant fails to adhere to and
22 complete the conditions of the alternative sentence, the court may modify the terms
23 of the alternative sentence or may modify or revoke probation and alternative
24 sentence and commit the defendant to an institution.

25 (8) In addition to those conditions that the court may impose, the conditions of
26 alternative sentence shall include the following and, if the court determines that the
27 defendant cannot comply with them, then they shall not be made available:

1 (a) A defendant sentenced to a halfway house shall:

- 2 1. Be working or pursuing his or her education or be enrolled in a full-time
- 3 treatment program;
- 4 2. Pay restitution during the term of probation; and
- 5 3. Have no contact with the victim of the defendant's crime;

6 (b) A defendant sentenced to home incarceration shall:

- 7 1. Be employed by another person or self-employed at the time of
- 8 sentencing to home incarceration and continue the employment
- 9 throughout the period of home incarceration, unless the court determines
- 10 that there is a compelling reason to allow home incarceration while the
- 11 defendant is unemployed;
- 12 2. Pay restitution during the term of home incarceration;
- 13 3. Enter a treatment program, if appropriate;
- 14 4. Pay all or some portion of the cost of home incarceration as determined
- 15 by the court;
- 16 5. Comply with other conditions as specified; and
- 17 6. Have no contact with the victim of the defendant's crime;

18 (c) A defendant sentenced to jail with community service shall:

- 19 1. Pay restitution during all or some part of the defendant's term of
- 20 probation; and
- 21 2. Have no contact with the victim of the defendant's crime; or

22 (d) A defendant sentenced to a residential treatment program for drug and alcohol

23 abuse shall:

- 24 1. Undergo mandatory drug screening during term of probation;
- 25 2. Be subject to active, supervised probation for a term of five (5) years;
- 26 3. Undergo aftercare as required by the treatment program;
- 27 4. Pay restitution during the term of probation; and

- 1 5. Have no contact with the victim of the defendant's crime.
- 2 (9) When the court deems it in the best interest of the defendant and the public, the
3 court may order the person to work at community service related projects under the
4 terms and conditions specified in KRS 533.070. Work at community service related
5 projects shall be considered as a form of conditional discharge.
- 6 (10) Probation with alternative sentence shall not be available as set out in KRS 532.045
7 and 533.060, except as provided in KRS 533.030(6).
- 8 (11) The court may utilize a community corrections program authorized or funded under
9 KRS Chapter 196 to provide services to any person released under this section.
- 10 (12) When the court deems it in the best interest of the defendant and the public, the
11 court may order the defendant to placement for probation monitoring by a private
12 agency. The private agency shall report to the court on the defendant's compliance
13 with his or her terms of probation or conditional discharge. The defendant shall be
14 responsible for any reasonable charges which the private agency charges.
- 15 (13) The jailer in each county incarcerating Class C or D felons may deny work release
16 privileges to any defendant for violating standards of discipline or other jail
17 regulations. The jailer shall report the action taken and the details of the violation
18 on which the action was based to the court of jurisdiction within five (5) days of the
19 violation.
- 20 (14) The Department of Corrections shall, by administrative regulation, develop written
21 criteria for work release privileges granted under this section.
- 22 (15) Reimbursement of incarceration costs shall be paid directly to the jailer in the
23 amount specified by written order of the court. Incarceration costs owed to the
24 Department of Corrections shall be paid through the circuit clerk.
- 25 (16) The court shall enter into the record written findings of fact and conclusions of law
26 when considering implementation of any sentence under this section.
- 27 ➔Section 84. KRS 533.015 is amended to read as follows:

1 Whenever a statute mentions probation, shock probation, conditional discharge, home
 2 incarceration, or other form of~~an~~ alternative to incarceration, that alternative may
 3 include a community-based, faith-based, charitable, church-sponsored, or nonprofit
 4 residential or nonresidential counseling and treatment program or drug court, and, upon
 5 petition by the defendant, the court may sentence or permit the defendant to attend that
 6 program. This program may also be used for pretrial release and pretrial diversion.

7 ➔Section 85. KRS 533.050 is amended to read as follows:

8 (1) At any time before the discharge of the defendant or the termination of the sentence
 9 of probation or conditional discharge:

10 (a) The court may summon the defendant to appear before it or may issue a
 11 warrant for his arrest upon a finding of probable cause to believe that he has
 12 failed to comply with a condition of the sentence; or

13 (b) A probation officer, or peace officer acting at the direction of a probation
 14 officer, who sees the defendant violate the terms of his probation or
 15 conditional discharge may arrest the defendant without a warrant.

16 (2) Except as provided in Section 62 of this Act, the court may not revoke or modify
 17 the conditions of a sentence of probation or conditional discharge except after a
 18 hearing with defendant represented by counsel and following a written notice of the
 19 grounds for revocation or modification.

20 ➔SECTION 86. A NEW SECTION OF KRS CHAPTER 534 IS CREATED TO
 21 READ AS FOLLOWS:

22 (1) A defendant who has been sentenced to jail for failure to pay a fine or court costs
 23 or for failure to appear in court on a date set for the sole purpose of addressing
 24 nonpayment of a fine or court costs shall receive credit against the fine and costs
 25 owed for each day the defendant spends in jail at the following rates:

26 (a) Fifty dollars (\$50) per day if the defendant does not work at a community
 27 service or community labor program; or

(b) One hundred dollars (\$100) per day if the defendant works eight (8) hours per day at a community service or community labor program. If the defendant works less than eight (8) hours in a community service or community labor program, the defendant shall be allowed an amount of one eighth (1/8) of the one hundred dollars (\$100) for each hour worked in a community service or community labor program.

(2) Credit against a fine or court costs earned by a defendant pursuant to this section shall prohibit the collection of any part of a fine or costs which has been credited pursuant to this section, and that portion of the fine or costs shall be considered paid.

(3) The jailer shall be responsible for monitoring a defendant's community service and tracking the number of days to be served to pay any outstanding fine or court costs.

➔ Section 87. KRS 439.330 is amended to read as follows:

- (a) Study the case histories of persons eligible for parole, and deliberate on that record;
- (b) Conduct reviews and hearings on the desirability of granting parole;
- (c) Impose upon the parolee or conditional releasee such conditions as it sees fit;
- (d) Order the granting of parole;

- (g) Grant final discharge to parolees.

- 1 (2) The board shall adopt an official seal of which the courts shall take judicial notice.
- 2 (3) The orders of the board shall not be reviewable except as to compliance with the
3 terms of KRS 439.250 to 439.560.
- 4 (4) The board shall keep a record of its acts, an electronic record of its meetings, a
5 written record of the votes of individual members, and the reasons for denying
6 parole to inmates. These records shall be public records in accordance with KRS
7 61.870 to 61.884. The board shall notify each institution of its decisions relating to
8 the persons who are or have been confined therein, and shall submit to the Governor

- 19 (1) Any parole officer having reason to believe that a parolee or a person on
20 postincarceration supervision pursuant to Section 91 of this Act has violated the
21 terms of his or her release may arrest the parolee or offender on postincarceration
22 supervision without a warrant or may deputize any other peace officer to do so by
23 giving him or her a written statement setting forth that the parolee or offender on
24 postincarceration supervision, in the judgment of the parole officer, has violated
25 the conditions of his or her release. The written statement delivered with the
26 parolee or offender on postincarceration supervision by the arresting officer to the
27 official in charge of the station house, jail, workhouse, or other place of detention,

1 shall be sufficient warrant for the detention of the parolee or offender on
 2 postincarceration supervision. The parole officer who arrests or causes the arrest of
 3 the prisoner shall notify the commissioner or his or her designee at once of the
 4 arrest and detention of the parolee or offender on postincarceration supervision,

 17 postincarceration supervision or for his or her return to prison.

 19 a fugitive from justice or to have fled from justice. If it shall appear he or she has
 20 violated the provisions of his or her release, the time from the issuing of the
 21 warrant to the date of his or her arrest shall not be counted as any part of the time to
 22 be served in determining his or her final discharge eligibility date from parole if the
 23 board in its discretion so orders.

24 (4) The Parole Board may at its discretion issue a warrant for any parolee or offender
 25 on postincarceration supervision when in its judgment the condition of release has

17 appropriate local probation and parole office or offices as required under
18 subsection (10)(a), (b), and (c) of this section, the cabinet shall notify the
19 appropriate local probation and parole office of the new address or electronic

25 corrections agency, and law enforcement agency responsible for the
26 investigation of the report of noncompliance.

27 (b) An agency that receives notice of the noncompliance from the cabinet under

7 (4) If a person required to register under this section is reincarcerated for another
8 offense or as the result of having violated the terms of probation, parole,

10 requirements and the remaining period of time for which the registrant shall register
11 are tolled during the reincarceration.

12 (5) A person who has pled guilty, entered an Alford plea, or been convicted in a court
13 of another state or territory, in a court of the United States, or in a court-martial of
14 the United States Armed Forces who is required to register in Kentucky shall be

12 to, nor shall the execution or imposition of sentence be suspended for, nor shall a

14 person convicted of violating KRS 510.050, 510.080, 529.040, 529.070, 529.100

21 (b) A person who, in committing any of the offenses enumerated in this
22 subsection, caused bodily injury to the minor;

23 (c) A person convicted of any of the offenses enumerated in this subsection and

 19 532.043.

- 20 (3) If a person is not otherwise prohibited from obtaining probation or conditional
- 21 discharge under subsection (2), the court may impose on the person a period of
- 22 probation or conditional discharge. Probation or conditional discharge shall not be
- 23 granted until the court is in receipt of the comprehensive sex offender presentence
- 24 evaluation of the offender performed by an approved provider, as defined in KRS
- 25 17.500 or the Department of Corrections. The court shall use the comprehensive sex
- 26 offender presentence evaluation in determining the appropriateness of probation or
- 27 conditional discharge.

- 1 (4) If the court grants probation or conditional discharge, the offender shall be required,
2 as a condition of probation or conditional discharge, to successfully complete a
3 community-based sexual offender treatment program operated or approved by the
4 Department of Corrections or the Sex Offender Risk Assessment Advisory Board.
- 5 (5) The offender shall pay for any evaluation or treatment required pursuant to this
6 section up to the offender's ability to pay but not more than the actual cost of the
7 comprehensive sex offender presentence evaluation or treatment.
- 8 (6) Failure to successfully complete the sexual offender treatment program constitutes
9 grounds for the revocation of probation or conditional discharge.
- 10 (7) The comprehensive sex offender presentence evaluation and all communications
11 relative to the comprehensive sex offender presentence evaluation and treatment of
12 a sexual offender shall fall under the provisions of KRS 197.440. The
13 comprehensive sex offender presentence evaluation shall be filed under seal and
14 shall not be made a part of the court record subject to review in appellate

- 16 (8) Before imposing sentence, the court shall advise the defendant or his counsel of the
17 contents and conclusions of any comprehensive sex offender presentence evaluation
18 performed pursuant to this section and afford a fair opportunity and a reasonable
19 period of time, if the defendant so requests, to controvert them. The court shall
20 provide the defendant's counsel and the Commonwealth's attorney a copy of the
21 comprehensive sex offender presentence evaluation. It shall not be necessary to
22 disclose the sources of confidential information.
- 23 (9) To the extent that this section conflicts with KRS 533.010, this section shall take
24 precedence.
- 25 ➔Section 95. KRS 532.055 is amended to read as follows:
- 26 (1) In all felony cases, the jury in its initial verdict will make a determination of not
27 guilty, guilty, guilty but mentally ill, or not guilty by virtue of insanity, and no more.

1 (2) Upon return of a verdict of guilty or guilty but mentally ill against a defendant, the
 2 court shall conduct a sentencing hearing before the jury, if such case was tried
 3 before a jury. In the hearing the jury will determine the punishment to be imposed
 4 within the range provided elsewhere by law. The jury shall recommend whether the
 5 sentences shall be served concurrently or consecutively.

6 (a) Evidence may be offered by the Commonwealth relevant to sentencing
 7 including:

- 8 1. Minimum parole eligibility, prior convictions of the defendant, both
 9 felony and misdemeanor;
- 10 2. The nature of prior offenses for which he was convicted;
- 11 3. The date of the commission, date of sentencing, and date of release from
 12 confinement or supervision from all prior offenses;
- 13 4. The maximum expiration of sentence as determined by the division of
 14 probation and parole for all such current and prior offenses;
- 15 5. The defendant's status if on probation, parole, postincarceration
 16 supervision, conditional discharge, or any other form of legal release;
- 17 6. Juvenile court records of adjudications of guilt of a child for an offense
 18 that would be a felony if committed by an adult. Subject to the Kentucky
 19 Rules of Evidence, these records shall be admissible in court at any time
 20 the child is tried as an adult, or after the child becomes an adult, at any
 21 subsequent criminal trial relating to that same person. Juvenile court
 22 records made available pursuant to this section may be used for
 23 impeachment purposes during a criminal trial and may be used during
 24 the sentencing phase of a criminal trial; however, the fact that a juvenile
 25 has been adjudicated delinquent of an offense that would be a felony if
 26 the child had been an adult shall not be used in finding the child to be a
 27 persistent felony offender based upon that adjudication. Release of the

child's treatment, medical, mental, or psychological records is prohibited unless presented as evidence in Circuit Court. Release of any records resulting from the child's prior abuse and neglect under Title IV-E or Title IV-B of the federal Social Security Act is also prohibited; and

7. The impact of the crime upon the victim or victims, as defined in KRS 421.500, including a description of the nature and extent of any physical, psychological, or financial harm suffered by the victim or victims;

(b) The defendant may introduce evidence in mitigation or in support of leniency; and

(c) Upon conclusion of the proof, the court shall instruct the jury on the range of punishment and counsel for the defendant may present arguments followed by the counsel for the Commonwealth. The jury shall then retire and recommend a sentence for the defendant.

(3) All hearings held pursuant to this section shall be combined with any hearing provided for by KRS 532.080.

(4) In the event that the jury is unable to agree as to the sentence or any portion thereof and so reports to the judge, the judge shall impose the sentence within the range provided elsewhere by law.

➔Section 96. KRS 532.240 is amended to read as follows:

Any person serving his sentence under conditions of home incarceration shall be responsible for his food, housing, clothing, and medical care expenses, and shall be eligible for government benefits to the same extent as a person on probation, parole, **postincarceration supervision**, or conditional discharge.

➔Section 97. KRS 431.078 is amended to read as follows:

(1) Any person who has been convicted of a misdemeanor or a violation, or a series of misdemeanors or violations arising from a single incident, may petition the court in which he was convicted for expungement of his misdemeanor or violation record,

1 including a record of any charges for misdemeanors or violations that were
 2 dismissed or amended in the criminal action. The person shall be informed of the
 3 right at the time of adjudication.

4 (2) Except as provided in subsection (8) of Section 21 and subsection (8) of Section
 5 22 of this Act, the petition shall be filed no sooner than five (5) years after the
 6 completion of the person's sentence or five (5) years after the successful completion
 7 of the person's probation, whichever occurs later.

8 (3) Upon the filing of a petition, the court shall set a date for a hearing and shall notify
 9 the county attorney; the victim of the crime, if there was an identified victim; and
 10 any other person whom the person filing the petition has reason to believe may have
 11 relevant information related to the expungement of the record. Inability to locate the
 12 victim shall not delay the proceedings in the case or preclude the holding of a
 13 hearing or the issuance of an order of expungement.

14 (4) The court shall order sealed all records in the custody of the court and any records
 15 in the custody of any other agency or official, including law enforcement records, if
 16 at the hearing the court finds that:

- 17 (a) The offense was not a sex offense or an offense committed against a child;
- 18 (b) The person had no previous felony conviction;
- 19 (c) The person had not been convicted of any other misdemeanor or violation
- 20 offense in the five (5) years prior to the conviction sought to be expunged;
- 21 (d) The person had not since the time of the conviction sought to be expunged
- 22 been convicted of a felony, a misdemeanor, or a violation;
- 23 (e) No proceeding concerning a felony, misdemeanor, or violation is pending or
- 24 being instituted against him; and
- 25 (f) The offense was an offense against the Commonwealth of Kentucky.

26 (5) Upon the entry of an order to seal the records, and payment to the circuit clerk of
 27 one hundred dollars (\$100), the proceedings in the case shall be deemed never to

1 have occurred; all index references shall be deleted; the persons and the court may
 2 properly reply that no record exists with respect to the persons upon any inquiry in
 3 the matter; and the person whose record is expunged shall not have to disclose the
 4 fact of the record or any matter relating thereto on an application for employment,
 5 credit, or other type of application. The first fifty dollars (\$50) of each fee collected
 6 pursuant to this subsection shall be deposited into the general fund, and the
 7 remainder shall be deposited into a trust and agency account for deputy clerks.

8 (6) Copies of the order shall be sent to each agency or official named therein.

9 (7) Inspection of the records included in the order may thereafter be permitted by the
 10 court only upon petition by the person who is the subject of the records and only to
 11 those persons named in the petition.

12 (8) This section shall be deemed to be retroactive, and any person who has been
 13 convicted of a misdemeanor prior to July 14, 1992, may petition the court in which
 14 he was convicted, or if he was convicted prior to the inception of the District Court
 15 to the District Court in the county where he now resides, for expungement of the
 16 record of one (1) misdemeanor offense or violation or a series of misdemeanor
 17 offenses or violations arising from a single incident, provided that the offense was
 18 not one specified in subsection (4) and that the offense was not the precursor
 19 offense of a felony offense for which he was subsequently convicted. This section
 20 shall apply only to offenses against the Commonwealth of Kentucky.

21 ➔Section 98. KRS 532.120 is amended to read as follows:

22 (1) An indeterminate sentence of imprisonment commences when the prisoner is
 23 received in an institution under the jurisdiction of the Department of Corrections.
 24 When a person is under more than one (1) indeterminate sentence, the sentences
 25 shall be calculated as follows:

26 (a) If the sentences run concurrently, the maximum terms merge in and are
 27 satisfied by discharge of the term which has the longest unexpired time to run;

1 or

2 (b) If the sentences run consecutively, the maximum terms are added to arrive at
3 an aggregate maximum term equal to the sum of all the maximum terms.

4 (2) A definite sentence of imprisonment commences when the prisoner is received in
5 the institution named in the commitment. When a person is under more than one (1)
6 definite sentence, the sentences shall be calculated as follows:

7 (a) If the sentences run concurrently, the terms merge in and are satisfied by
8 discharge of the term which has the longest unexpired time to run; or

9 (b) If the sentences run consecutively, the terms are added to arrive at an
10 aggregate term and are satisfied by discharge of the aggregate term.

11 (3) Time spent in custody prior to the commencement of a sentence as a result of the
12 charge that culminated in the sentence shall be credited by the Department of
13 Corrections~~[court imposing sentence]~~ toward service of the maximum term of
14 imprisonment in cases involving a felony sentence and by the sentencing court in
15 all other cases. If the sentence is to an indeterminate term of imprisonment, the
16 time spent in custody prior to the commencement of the sentence shall be
17 considered for all purposes as time served in prison.

18 (4) If a person has been in custody due to a charge that culminated in a dismissal,
19 acquittal, or other disposition not amounting to a conviction, the amount of time
20 that would have been credited under subsection (3) of this section if the defendant
21 had been convicted of that charge shall be credited as provided in subsection (3) of
22 this section against any sentence based on a charge for which a warrant or
23 commitment was lodged during the pendency of that custody.

24 (5) If a person serving a sentence of imprisonment escapes from custody, the escape
25 shall interrupt the sentence. The interruption shall continue until the person is
26 returned to the institution from which he escaped or to an institution administered
27 by the Department of Corrections. Time spent in actual custody prior to return under

1 this subsection shall be credited against the sentence if custody rested solely on an
2 arrest or surrender for the escape itself.

3 (6) As used in subsections (3) and (4) of this section, time spent in custody shall
4 include time spent in the intensive secured substance abuse recovery program
5 developed under KRS 196.285 and may include, at the discretion of the sentencing
6 court, time spent in a different residential substance abuse treatment or recovery
7 facility pursuant to KRS 431.518 or 533.251, if under each option allowed by this
8 subsection, the person has successfully completed the program offered by the
9 intensive secured substance abuse recovery program or the residential substance
10 abuse treatment or recovery facility. If the defendant fails to complete a program,
11 the court may still award full or partial sentence credit if the defendant demonstrates
12 that good cause existed for the failure to complete the program.

13 (7) In lieu of an award by the Department of Corrections in felony cases, if a
14 presentence report indicates that a defendant has accumulated sufficient
15 sentencing credits under this section to allow for an immediate discharge from
16 confinement upon pronouncement of sentence, the court may confirm the
17 amount of the credit and award the credit at pronouncement.

18 (8) An inmate may challenge a failure of the Department of Corrections to award a

 20 under the conditions set forth in subsection (5) of this section. Any additional
 21 moneys appropriated for county jails shall be allocated on the basis of a formula
 22 comprised of the following factors:

23 (a) Sixty percent (60%) of the allocation shall be based on the amount of the
 24 1983-84 funding formula each county received, or should have received under
 25 the conditions set forth in subsection (5) of this section;

26 (b) Ten percent (10%) of the allocation shall be based on each county's
 27 comparative ranking of median household income in inverse order, as

1 determined by the 1980 federal census of population; and

2 (c) Thirty percent (30%) of the allocation shall be based on the proportion of each
3 county's age at risk population (18-34) to the state total, as determined by the
4 1980 federal census of population.

5 (2) Payments of the state contribution for jail operating expenses shall be made

21 (4) A county shall not receive less than twenty-four thousand dollars (\$24,000)

23 prisoners charged with or convicted of violations of state law.

24 (5) If the capacity of a jail was substantially increased during the years 1980 through
25 1982 due to construction or renovation, and if, as a result, the amount paid to the
26 county in fiscal year 1983-84 pursuant to this section and to 1982 Ky. Acts ch. 385,
27 sec. 3, was not representative of the true jail population, then the commissioner of

the Department of Corrections may, upon proper documentation by the county, permit an estimate of the current capacity of the jail to be used as a basis for calculating the amount that should have been paid to the county in fiscal year 1983-84. The estimate of current capacity shall be used to calculate payments made pursuant to subsection (1) of this section after July 14, 1992, but shall not be used to recalculate past payments.

➔Section 107. KRS 532.050 is amended to read as follows:

(4) If the defendant has been convicted of a sex crime, as defined in KRS 17.500, prior

1 to determining the sentence or prior to final sentencing for youthful offenders, the
2 court shall order a comprehensive sex offender presentence evaluation of the
3 defendant to be conducted by an approved provider, as defined in KRS 17.500, the
4 Department of Corrections, or the Department of Juvenile Justice if the defendant is
5 a youthful offender. The comprehensive sex offender presentence evaluation shall
6 provide to the court a recommendation related to the risk of a repeat offense by the
7 defendant and the defendant's amenability to treatment and shall be considered by
8 the court in determining the appropriate sentence. A copy of the comprehensive sex
9 offender presentence evaluation shall be furnished to the court, the

18 defendant's ability to pay but no more than the actual cost of the comprehensive sex
19 offender presentence evaluation or treatment.

- 20 (5) The presentence investigation report shall identify the counseling treatment,
21 educational, and rehabilitation needs of the defendant and identify community-
22 based and correctional-institutional-based programs and resources available to meet
23 those needs or shall identify the lack of programs and resources to meet those needs.
- 24 (6) Before imposing sentence, the court shall advise the defendant or his or her counsel
25 of the factual contents and conclusions of any presentence investigation or
26 psychiatric examinations and afford a fair opportunity and a reasonable period of
27 time, if the defendant so requests, to controvert them. The court shall provide the

defendant's counsel a copy of the presentence investigation report. It shall not be necessary to disclose the sources of confidential information.

➔Section 108. The Department of Corrections shall immediately begin the process of promulgating an administrative regulation implementing the ability of a person providing medical, dental, or psychological care to a prisoner to bill the state for the costs of that care as allowed under subsection (7) of Section 75 of this Act. The regulation shall be designed to minimize the amount of paperwork and time needed to make a completed application for payment, shall require the utilization of standardized forms on a statewide basis for the submittal of claims, and shall be promulgated in consultation with the Kentucky Association of Counties, the Kentucky County Judge/Executive Association, the Kentucky Hospital Association, the Kentucky Jailers Association, and the Kentucky Medical Association.
